IMPORTANT AIRPORT INFO

Subject: [ASA-reunion] **Important Phoenix Sky Harbor Airport Information!**

Some **last minute information for those flying into Phoenix for the Mesa Reunion:**

There are multiple terminals at Sky Harbor Airport. There are three: Terminals #2, #3, and #4 (Terminal #1 was the original and has since been turned into a cell phone parking lot).

Each terminal is used by specific airlines.

Terminal #4 is the newest and largest is used by **U.S. Airways** and **Southwest Airlines** (and some international flights).

Terminal #3 is the second newest and second largest. Many of the **large airlines** use this terminal.

The **remaining airlines** use **Terminal #2**.

The major point is:

If you have someone picking you up at the airport, let them know **which airline** you will be flying in on. If you know the **terminal number**, give that to them, but even without the terminal number they can determine which terminal by the signs which show the terminal number and airlines for that terminal.

Important Point: Terminals #3 and #4 have two possible sides to exit from: The North Side or the South Side.

You need to let the **person who is picking you up** know which side of the terminal you will be waiting on. Each exit has "North Side" or "South Side" above each exit door (both inside and outside the exit door).

It would be very helpful for the person coming to pick you up and for you to have **cell phone contact** shortly before pick up to confirm what exit you are at, and the color and make of the car they are in.

Sky Harbor does not allow any curbside waiting for passengers, if the passenger is not already there waiting to jump in the car. Stopped cars are immediately waived on, and then must make a complete circle around the terminal to make another pickup pass. We have cell phone lots available for drivers to wait in until you have **picked up your baggage and proceeded to curbside. AT THAT TIME NOTIFY THE DRIVER. NUMBER WILL BE SENT TO YOU VIA EMAIL BEFORE YOU TRAVEL TO PHOENIX.**

Mel Corning's email for pick-up arrangements is listed in the **Member Roster** in the **Members Only** section <http://www.usasa.us/membersOnly/MbrOnlyPrntFrm.htm> .

These arrangements need to be made as soon as possible. Flight numbers, times/dates arriving/departing are needed also, PLEASE!.

Shuttle Service from Airport: We will provide van service from the airport upon request. Send us your flight arrival (PHX) & departure (PHX) for van scheduling.
